### Safe Capacity in Church for Sunday Mass, Funerals and Weddings.

As week by week we gladly welcome more people back to church, this also brings the sad possibility that on reaching our safe capacity we may have to turn people away. Please remember that at weekends there is now a Saturday Vigil Mass and that at Funerals & Weddings priority will always be given to family and close friends

***Dear Parishioners and Friends***

The first week in July – and we are in the midst of our summer of sport. I don't know how non-sports' lovers manage when the latest results dominate the media. I know I have spent too much time 'just seeing what's happening!' It's not just the end results that matter. For me, it's the action: retrieving impossible drop shots in tennis, the player who dribbles the ball (do they use that term any more?) past half a dozen of the opposition and then scores from outside the penalty box ... This year, however, I seem to have heard more from the commentators about those outstanding individuals who have overcome adversity to emerge top of their game.

Interest seems to be about not just talent, but mindfulness. How has this individual succeeded while another equally gifted sportsman has floundered? Determination, dedication, practice and hard work, appear to be some of the main ingredients of success. One radio journalist said something to the effect that it's those who are successful, dream dreams and are aware that there is something within them that they can unlock. The legendary golfer Arnold Palmer is quoted as having said, 'It's a funny thing. The more I practise the luckier I get.

A former archbishop of Canterbury was once talking about the prayer of petition and said something similar. 'It's a funny thing. When I pray it's amazing the coincidences that occur. When I don't pray, they don't seem to happen!' Many years ago I was talking to a man who had suffered great tragedy in his life. The conversation drifted to commuting 60 miles into London every day. When I commented how awful it must be he replied, 'It's all a question of attitude. If someone cuts me up, I let them in. Sometimes I'm 10 minutes early and at other times I'm late. I have a comfortable car with my music and the radio. It's all a question of attitude.' And speaking to a friend about things that annoy us, she observed that when in such situations she asks herself, 'Does it matter?' Would that I were the person who always acts on good advice!

# SYNOD

As I hope you are aware from previous bulletin entries, the Archdiocesan Synod took place on Saturday 19<sup>th</sup> June, after four years of prayer, preparation and planning. Due to Covid restrictions the planned gathering of members from parishes, religious and clergy had to take place online using Zoom rather than face to face. The event lasted from 10am-4pm and was attended by observers invited from local Christian denominations as well as others from across the country.

The day started with a welcome from Archbishop Malcolm and an address from the Papal Nuncio, Archbishop Claudio Gugerotti followed by a recorded message from Cardinal Mario Grech, Vatican Secretary General of the Synod of Bishops. Dr Jessie Rogers, the first woman and lay Dean of the Faculty of Theology at the Pontifical University Maynooth, acted as host and drew together the various aspects of the day.

Voting on the recommendations that had been arrived at over the last four years took place during the morning session and by the time we reconvened after lunch the results were in and can be seen now on the Synod website [www.synod2020.co.uk](http://www.synod2020.co.uk)

The afternoon session had time for discussion in small groups and feedback before the Synod was drawn to a close. Archbishop Malcolm explained that the voting results will be discussed by a group of advisors over a week in July, so that the Pastoral Plan to implement them will be able to be launched on the first Sunday of Advent- November 28<sup>th</sup>. A Synod Mass was held in the cathedral on Sunday and meant that members were able to see each other face to face.

Moving forward the Synod will have implications for us all in the Archdiocese, Archbishop Malcolm is determined that it will not merely be a 'talking shop' and for us in St Anne's and St Elizabeth's parishes there will more information over the coming weeks and months.

## St Elizabeth's News:

### **Message from Fr Richard.**

**Many people have been asking how Fr Richard is because of the bad news re COVID in Peru. We received this message recently.**

"As usual I have to start with an apology for not having written to you for so long!

I have been keeping well – and we are all well in the monastery here, although the Covid situation in Peru is not at all good. They changed the way they calculate the number of deaths a month or so back, and the result was that the total number of deaths more than doubled – I think it is now over 190,000, and it is supposed to be the highest number per head of population in the world. We are not in total lockdown, as I understand England is, but going out to the market nowadays means having a double face-mask and a facial protector, and we avoid public transport when we can.

I now have three men under my care in the novitiate; one has been here nearly three years – he arrived a month before I did – and he should make his first vows in October; the other two have been with us for about eighteen months and eight months respectively. They keep me reasonably busy with preparing classes for them, advising them and supervising them; on the other hand my other principal work, which is helping in the guest house, giving retreats and spiritual accompaniment, is much reduced, as we have very few people in the guesthouse during the pandemic; not many people want to come, and we can only accept them under fairly restrictive conditions. But in spite of this, I seem to keep fairly busy!

Winter has now definitely settled in, and today we had some light rain during the day – the first for a long time. During the winter we often get some drizzle in the early hours of the morning, but usually not for very long. It leaves you with the feeling that it is cold and damp and a bit miserable, but that's about it!

I hope all is well in the village, and I hope the older people have not been affected too much by the virus.

14th Sunday in Ordinary Time

## IN THE GOSPEL TODAY

Jesus returns home where he teaches in the local synagogue. When people hear him, they can't believe how wise Jesus is. But they do not accept him because they knew Jesus when he was a child. Jesus is unable to help the people because of their lack of faith.

## BELIEVE IN JESUS

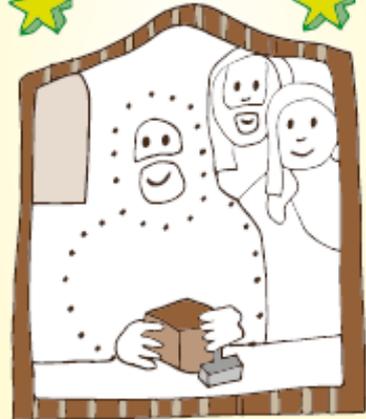

Jesus was amazed that the people did not have faith.

Decode the words to hear what Jesus wants.

## Who is Jesus?

Jesus surprises people by teaching in the synagogue. Join the dots to see how they knew him before, as a carpenter living at home with his family.

## Who am I?

I am \_\_\_\_\_ years old.

I live in \_\_\_\_\_

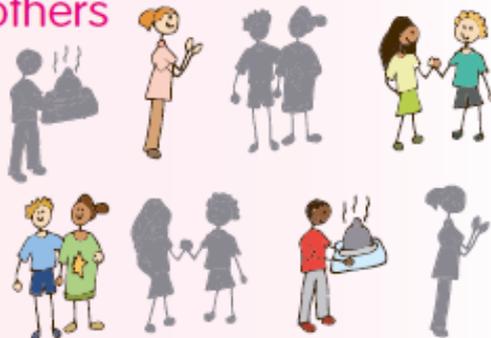

In my family, there are \_\_\_\_\_ people.

Draw a picture of yourself, to show who you are.

## Welcome others

It is good to welcome people into our homes and lives. Match the picture to its shadow to show how we can welcome others.

## A PRAYER TO SAY

Dear Jesus, sometimes it is hard to listen to those who know us the best. We prefer to listen to people at school instead of our parents and brothers or sisters. Help us to remember that the people we live with know us well and usually give us the best advice. Amen.

# St Anne's Children's Liturgy

4<sup>th</sup> July 2021 14<sup>th</sup> Sunday of Easter Year B

**Introduction:** Together make the sign of the cross.  
Have your parents ever been surprised when they meet your teachers and are told how much you know?  
Have you ever been in a show at school and your family were amazed at how you could sing, dance, or read in front of a crowd? Listen what happened to Jesus....

## St Anne's Ormskirk Children's Liturgy of the Word

### Gospel (You may like to light a candle)

Jesus returned to his home town of Nazareth with his disciples, and on the Sabbath day, he went to the synagogue to preach. The people there were amazed by his wisdom and all that he said, and many of them heard of the miracles that he had worked. But some of the crowd asked "Surely this is Joseph the carpenter's son? Isn't his family still living here in Nazareth? How can he know all these things and talk in this way?" They would not listen to Jesus or believe in him. Jesus was saddened and disappointed by their lack of faith and he left Nazareth to go and preach elsewhere,

The Gospel of the Lord.....Praise to you Lord Jesus Christ.

*If you are happy to share your work with the us, please email a scan or photos of what you have done to the parish council email address,  
ppc@stannes-ormskirk.org.uk  
with 'Children's Liturgy' in the subject line*

### Reflection

Why do you think some of the people were amazed by Jesus?  
Do you think it was because they were used to him as a child, and they didn't understand who he was?

What did Jesus do?

How about us- how can we let Jesus know that we are listening to him and believe in him?

### Activity:

Could you write a prayer to Jesus to let him know that you believe in him?

Perhaps you could decorate it and put it up in your room to remind you to say it? Or send it to us to share with the parish?
