### A collection for Fr Boniface

This is the opportunity, while Fr Boniface is on holiday, to take a collection as a gift for his 80th birthday on 7th October, to be celebrated by a parish party on Saturday 9th October. This will also be a farewell party as Fr Boniface will leave for the Abbey in October.

There will be a basket for donations at the back of church weekend of 28th /29th August and 4th/5th September. Donations may also be put through the parish letter box in an envelope marked "for Parish Administrator" with a note inside to say it is towards the gift for Fr Boniface.

Dear Parishioners and Friends

On Friday we celebrated the feast of my namesake, St Bernard. He was one of the great medieval saints who lived in the 12th century and was instrumental in reforming monastic life. He is the founder of the Cistercian Order with the first monastery at Clairvaux in Champagne and by the end of his life there were 343 monasteries around Europe.

He was a prolific writer and wrote extensively on Our Lady and our relationship with God. The following is an extract from a sermon which he gave on the Song of Songs in which he develops almost a theology of love. It might be worth reading this a couple of times as I found that it was necessary for myself. It is interesting what St Bernard has written what we would write if we were reflecting on the same scene of love!

*Love is self sufficient; it is pleasing to itself and on its own account. Love is its own payment, its own reward. Love needs no extrinsic cause or result. Love is the result of love, it is intrinsically valuable. I love because I love; I love in order to love. Love is a valuable thing only if it returns to its beginning, consults its origin and flows back to its source. It must always draw from that endless stream. Love is the only one of the soul's motions, senses and affections by which the creature in his inadequate fashion may respond to his Creator and pay him back in kind. When God loves, he wishes only to be loved in return; assuredly he loves for no other purpose than to be loved. He knows that those who love him are happy in their love.*

"A reflection on what we lost and and what sustained us".

During the past 17 or so months the coronavirus and subsequent lockdowns have been a cause of great difficulty for all of us.

Whether it was contracting the virus ourselves or watching someone else struggle through it; being isolated from our families, especially our vulnerable members, or being unable to say goodbye to loved ones who were dying, no one has been spared.

To mark this, we invite you to the celebration of a **Memorial Mass** at 12 noon on **Saturday the 4<sup>th</sup> of September** when we will gather together to acknowledge and remember the pain and loss, we have all suffered as a result of the pandemic. Tea and coffee will be served in the pastoral centre after Mass. **Please join us.**

This Mass will be streamed.

In the tragic situation in Afghanistan, we are working to ensure the safety of our local partners and their communities. We are supporting local aid workers to deliver urgent food and water supplies to hundreds of thousands of people facing extreme hunger in Tigray in Ethiopia, South Sudan and north-east Nigeria. You can read more about how we can all express solidarity with our sisters and brothers affected by these emergencies on the CAFOD website: <https://cafod.org.uk/News/Emergencies-news>. Your compassion, generosity and prayers have helped us to stand together and enable us to continue to support communities in these difficult times. Thank you.

## Our Common Home

This is a space on the bulletin for everyone to share their ideas and tips about practical things we can do to respond to Pope Francis's call to hear the Cry of the Earth and the Cry of the Poor.

Do you have a good suggestion of something we can do to help with the climate crisis?

*Share it with everyone by e-mailing Colette on [paxorm@btconnect.com](mailto:paxorm@btconnect.com)*

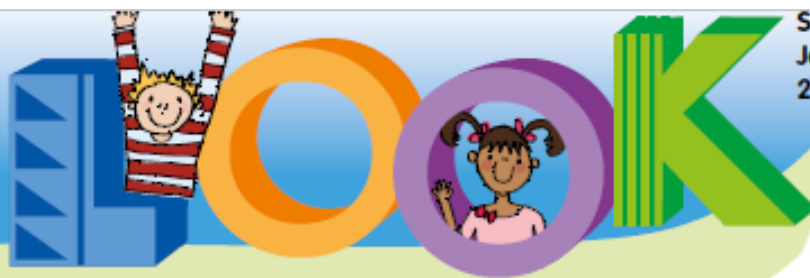

### Climate Crisis

The recent United Nations report on climate change has finally removed any doubts that the world faces a crisis and has only about 10 years in which we can make the changes that will reduce the risks of worsening floods, droughts etc. in the next 20-30 years and beyond. Our own efforts can seem insignificant, but every little helps. Have a look at the link below for some ideas. Watch the bulletin for more and share your own ideas with everyone through the Our Common Home section of the bulletin.

# St Anne's Children's Liturgy

## St Anne's Ormskirk Children's Liturgy of the Word

22<sup>nd</sup> August 2021 – 21<sup>st</sup> Sunday of Yr B

**Introduction:** Together make the sign of the cross.

When Jesus had told the crowd that he was the 'Living bread' some of them turned away and left because they did not believe in him. How do you think Jesus felt? Read the Gospel and see who did believe Jesus and stay with him.

**Gospel** (You may like to light a candle)

Jesus had told his followers that he was the 'Bread of Life', but many of them refused to believe what he had said. Jesus heard them arguing with each other and said to them, 'Many will not believe that I am the way to eternal life. I know that my heavenly father has revealed this to only a few.'

After this some of the crowd left him and followed him no more. Jesus turned to the twelve he had chosen and asked, 'Will you choose to leave me to?'

Then Simon Peter stepped forward and said, 'Master, who would we turn to? We believe in your message of eternal life, because we know that you are the Son of God.'

**The Gospel of the Lord ..... Praise to you Lord Jesus Christ**

**Reflection:** One way of showing Jesus that we believe in him is to say a prayer like this one: -

Jesus, we believe in you and choose to follow your way. Give us the 'Bread of Life' to fill us with love and to make our faith strong. Amen

**Activity:** Think about other ways this week you can show Jesus that you love him. You can also complete the colouring and Look sheet.
