**Dear Parishioners and Friends**

***COP26 is coming to an end. For the past two weeks the deliberations of the delegates and heads of state have dominated the news, and rightly so. The danger is that we shall soon forget what the conference was all about and take up something else to occupy our lives. Perhaps other issues will arise, and it is fitting that we should attend to them; but concern for the future of our planet is an issue of major concern that must remain high on our list of priorities.***

***Thanks to the school chaplain in St Bede's, Jacinta Brown, our two vigils of prayer for the success of COP26 have had a high profile here in St Anne's. I am grateful to Jacinta for the following reflection and prayer.***

**Godric OSB**

The following is an extract from Planetwise by Dave Bookless.

Perhaps the single most effective step I have taken in terms of avoiding waste, is to try to pray every time I put something in the bin. As I do so, I thank God for the natural resources that have created the item and reflect on whether I have been a good steward. Often my prayers end up as guilty confessions, as I have to admit my careless wastefulness again. Did I need to buy this? Did I need the item with all this packaging? Sometimes my anguish is not personal so much as frustration with the culture that dictates I can't buy things that aren't covered in plastic, and I simply say sorry to God for what we as the human race have done in taking his world for granted. Seeing waste as a spiritual issue has caused me to go back to the start of the process; buying things in the first place. Now, before I buy something, I always try to ask whether I really need it.

Let us Pray. Creator of our common home you fill the earth and sea and sky with life. Forgive us our neglect of your creation, the choking waste of our pollution, the damage done by careless habits and our indifference to future generations. Help us amend our lives, to refuse more plastic if we can't reuse it, to lift our voice for lasting change, and to live well and gently on the earth. Amen

After the past 18 months when the pandemic has dominated our lives, we are now beginning to review several areas of parish life. With regards to the Extraordinary Ministers of the Eucharist in St Anne's Deacon Des has been running a couple of training sessions for them in the light of some changes that have come in to play in the last couple of months.

Please let us know if a family member or friend wishes to receive Holy Communion at home and let the parish office know the name and address and one of the eucharistic ministers will be happy to visit.

Also, if you are in a care home within the parish, please let the care home staff know you would like to receive Holy Communion. Contact again can be made with the parish office.

## Be a Welcomer at Mass?

With such great work having been carried out by our Stewards throughout the pandemic, Advent is a good time to look to change from this role to the previous role of “Welcomers” at our weekend Masses and at other services. Whilst as a parish and as individuals we are called to be welcomers to every member of our community, visitors and old friends alike, it is also good to receive a specific welcome as we enter church.

Is this something you used to do either as an individual or as a family? Is this a role new to you but one that you or your family would like to know about?

Whilst Covid safety in church will continue, the Welcomers role does differ from the Stewards role, so please come along to church either on **Thursday 25th November** at 1.00pm or on **Saturday 27th November** at 11.00am to find out more and to, hopefully, sign up to the Welcomers Rota – maybe for the weekend Mass you usually attend. If you are interested but neither date suits, please contact the parish office by Monday 22nd November, leaving your name and contact number and we will get back to you.

## Asylum Seekers and Refugees

There are a growing number of asylum seekers and refugees who are living West Lancashire as well as those expected from Afghanistan. You may have already read in the Bulletin how Mathew Wright is helping these people and their families with the necessities that they need.

- **bags of rice and flour**
- **tins of vegetables, tomatoes, and fish in oil.**
- **long life milk and cooking oil,**
- **tea and coffee and sugar**

Please leave items in the box at the back of church. Your donations will be taken to the Ecumenical Centre in Skelmersdale as requested by Matthew and given to those who need them.

## CHILDRENS LITURGY

**LOOK**

Sunday 14 November 2021  
Mark 13:24-32  
33rd Sunday in Ordinary Time

IN THE GOSPEL TODAY

Other things will come and go, but Jesus will always be with us. We are to keep our eyes open because he is coming into our lives again in a special way soon. Just as we know that summer is coming when we see the buds on the trees, we know that Jesus is near.

My name is \_\_\_\_\_

### BE GENEROUS!

Most things change with time. Draw a line from each of these pictures to show what they grow into.

### Maze

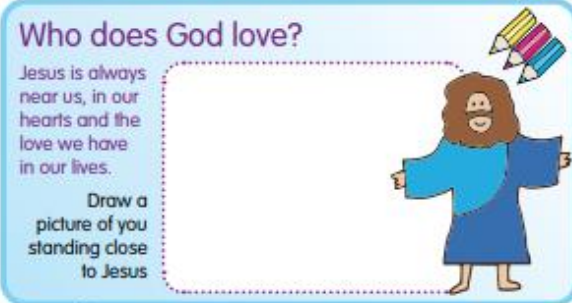

Help Jesus find his way so that he can be together with us again.

### Who does God love?

Jesus is always near us, in our hearts and the love we have in our lives.

Draw a picture of you standing close to Jesus

### The fig tree

The fig tree tells us that summer is near when its leaves come out. Draw the leaves on the tree to show that summer is near.

### A PRAYER TO SAY

Dear Jesus, thank you for always being with me and loving me. Help me to feel your loving presence in my life. Amen.
